As last year we will be using the NHC Handicapping system which gave all a chance of winning the weekly bottle prizes.

We will be racing for the 'Barton Trophies' again this year, for overall winner in the Cruiser Class and Keelboat Class (Dragons, Sonata and Squibs) We also have sponsorship from 'Synergy Planning & Property Consultants Ltd' which will enable us to provide 2 bottle prizes per class each week. We shall also on occasions give a bottle to others either for doing well or a blooper prize for something they shouldn't have done or said. We want these evening races to be fun and getting members out enjoying sailing.

Enough of you have shown interest for us to go ahead with this series. This is a great opportunity for those of you that would like to CREW, just complete the application and we will find a boat for you to crew on. We have TROT BOAT drivers for each week but would ask those with large numbers of crew to drop them off on the pontoon before returning to your mooring, this helps with trot boat runs. It is necessary for you to complete a 2017 MYC declaration form before racing.

Boats on MYC moorings should sign on before going afloat.

Boats wishing to take part from the Marina or other Clubs can signal their intent by VHF Radio providing they have completed a Declaration form in advance.

The sailing instructions will follow the MYC sailing instructions for weekend series in-river racing other than the start time which will be 19-00hrs and the time limit will be 21-30 hrs.

Courses will be selected from the MYC 2017 in - river course sheet unless a special course is set.

The race hut call sign is "Upnor Line" channel 37 (M 1)

There will be two fleets 'Cruisers' and 'Keelboats' ( Dragons, Sonatas and Squibs ) with a combined start. Racing for both fleets will be under the National Handicap for Cruisers (NHC). Handicaps may be adjusted after each race.

The bar and galley will be open from 6-00pm. Please order your supper before going racing
