- Their boat is in good order, equipped to sail in the event and they are fit to participate;
- The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
- The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can practically be provided in the circumstances.
- For cruiser & smack classes they are responsible for ensuring that their boat is equipped and seaworthy so as to be able to face extremes of weather; that there is a crew sufficient in number, experience and fitness to withstand such weather; and that the safety equipment is properly maintained, stowed and in date and is familiar to the crew.
