We will be racing for the 'Barton Trophies' again this year, for overall winner in the Cruiser Class and Keelboat Class (Dragons, Sonata and Squibs) We also have sponsorship from **'Synergy Planning & Property Consultants Ltd'** which will enable us to provide 2 bottle prizes per class each week. We shall also on occasions give a bottle to others either for doing well or a blooper prize for something they shouldn't have done or said. We want these evening races to be fun, getting members out enjoying sailing and using our club.

As last year we will be using the NHC Handicapping system which gave all a chance of winning the weekly bottle prizes. Entry Fee per Boat will be £15 or £5 per race. To be paid at First Race attended.
